

Qualification Period:
November 1, 2026 – January 31, 2027

At **ACTIVZ Connection 360,** you'll discover new strategies to accelerate your business growth, develop essential skills to strengthen your leadership, and gain practical tools to help you achieve your goals. All in a unique environment designed to inspire you, connect you with fellow leaders, and take your vision to the next level.

REWARDS:

- Two-night hotel stay for (1) person.
- $400 USD PER QUALIFIER towards airfare expenses.
- $150 USD PER QUALIFIER towards meal expenses.
- Access to event activities included on the official agenda.

HOW TO QUALIFY

1 COMPLETE ME+3 & ENROLL NEW CUSTOMERS

During the qualification period, complete:
(3) ME+3 Qualifications + (3) Personally Enrolled Customers with a minimum order of 50 PV.

To stay on track, you must complete at least:
November: (1) ME+3 Qualification + (1) New Customer
December: (1) ME+3 Qualification + (1) New Customer
January: (1) ME+3 Qualification + (1) New Customer

You may complete multiple ME+3 qualifications in the same month; however, this does not replace the requirement to complete at least one ME+3 qualification during each required month.

The same monthly requirement applies to personally enrolled customers. Missing a required monthly milestone will result in elimination from the qualification.

New Distributor Exception

Distributors who enroll on or after November 1, 2026 are not required to meet the November and December monthly enrollment milestones.

Instead, they must complete a total of:
(3) ME+3 Qualifications + (3) Personally Enrolled Customers by January 31, 2027.

2 MAINTAIN YOUR PERSONAL ORDER

Distributors must place personal orders totaling at least 50 PPV in each month: November 2026, December 2026, and January 2027.
New Distributors

If you enroll during the qualification period, your 50 PPV monthly personal order requirement begins the month following your enrollment.

3 ACHIEVE A4 OR HIGHER

You must be paid at the rank of A4 or higher in January 2027.
Your January paid rank will determine whether this requirement has been completed.

4 GROW YOUR ORGANIZATION

Connection 360 is about growth—and your qualification should reflect it.

Your required cumulative organizational growth is:
2,000 OV OR 5% — WHICHEVER IS GREATER

Your growth goal is based on your highest Organizational Volume (OV) from: August, September or October 2026. The highest of these three months is your Baseline Volume.

How Your Growth Is Calculated

For November, December, and January, only the OV that is above your Baseline Volume contributes toward your cumulative growth. If your OV falls below your baseline during a month, that month simply contributes zero growth toward the calculation.

Down months do not subtract from growth already accumulated.
At the end of the qualification period, your cumulative growth must equal or exceed:
2,000 OV or 5% of your Baseline Volume, whichever is greater.

Important January Requirement

In addition to achieving your cumulative growth goal, your January 2027 OV must be equal to or greater than your Baseline Volume.
Meeting the cumulative growth requirement alone does not qualify you if January volume finishes below your baseline.

New Distributors

For Distributors who enroll during the qualification period, the Baseline Volume is zero.
